

## Next Week in English

This week, we will dig deep on 'The Raven', we will examine the literary devices used in this poem. We will also learn about the verb types.

Please, be noted that you have a writing assessment next Thursday 5th March.

Please, bring a fully charged chromebook for everyday lessons.

A quiz on Monday, you need to bring your School ID as it will be online using a mastery connect application.

## Next Week in Mathematics

Our unit on Quadratic Functions and their Graphs continues this week. We will explore Linear v Quadratic v Exponential Models and Systems of Linear and Quadratic Equations.

Students and parents can find the lessons, homeworks and eBook on Google Classroom.

**Please bring a fully charged Chromebook along with the charging cable, a pencil and copybook to class every day.**

## Next Week in History

In class this week we will continue our focus on the League of Nations and the reason for the US rejection of the league. We will then start to analyze the effects of the Treaty after the war.

## Next Week in Science

Biology: Understanding the process of meiosis.

Chemistry - Career track: We will be studying about types of bonding and periodic trends

Chemistry - Science track : We will be studying about reactions of alkali metals with water, oxygen and acids.

Physics - Science track: We are revising our energy chapter.

Physics - Career track: We will continue continue preparing for our projects.
