## ABOUT LISG

We are a leading American curriculum school for girls that focuses on nurturing the next generation of female leaders through academic excellence, progressive technology-led teaching, and individualized learning, with globally experienced and supportive teachers. At LISG, our dedication lies in providing each girl with an exceptional education, fostering creative and critical thinking skills, and instilling strong moral values. Our goal is to empower these young women to become successful contributors and valued members of a global society.

LISG is the first and only international school for girls in Al Ain. We provide a leading, individualized American curriculum education for girls from Pre-K to Grade 12, taught by an internationally experienced teaching team, within a dynamic, supportive, and inspiring school environment.

## PRINCIPAL'S MESSAGE

It gives me great pleasure to welcome you to Liwa International School for Girls, the only International girls' school in Al Ain.

LISG prides itself on offering our female learners a variety of personalized learning pathways. As the UAE embraces innovation and change, it provides exciting opportunities for young women to play key leadership roles. It is crucial for our students to be ready and equipped for the future. At LISG, we are passionate about empowering our students to think big and understand that ambition should be limitless. We aim to foster a generation of lifelong learners and critical thinkers who will become the change makers and problem solvers of the future.

Our multinational, highly qualified teachers are skilled in using a range of online platforms and interactive resources in an inclusive and supportive environment. Whether online or in school, our teachers deliver a high-quality curriculum, ensuring that students are happy, challenged, and supported.

I look forward to welcoming you to our school community.

**Mrs. Rachael Saebnoori**  
Principal of Liwa International School for Girls

## CURRICULUM

We follow the American Curriculum from California, which provides a well-rounded education with a robust set of core skills that help create lifelong learners capable of fully participating in society. Our academic program is designed to nurture ethos and the necessary skills, supported by rigorous classroom instruction, in order to help our students unleash their intellectual and physical capabilities and reach their full potential. Our classrooms are student-centered, providing a nurturing environment that respects the individual differences of our students while supporting and preparing them to become lifelong learners.

LISG is an inclusive school that ensures the provision of Individualized Educational Plans (IEPs) for students with learning difficulties. Additionally, the school identifies gifted and talented students and ensures that each child has an Advanced Learning Plan (ALP) in place while being regularly monitored and reviewed.

At Liwa International School (LISG), core subjects are delivered through the framework of the Common Core State Standards (CCSS), Next Generation Science Standards (NGSS), and National Standards for Social Studies (NSSS). Arabic and Islamic studies will be delivered through the approved Ministry of Education (MOE) framework.

## SCHOOL CAMPUS AND FACILITIES

LISG offers learning facilities and state-of-the-art technology. The classrooms have been designed to engage students in independent and self-directed learning activities stations. The integration of technology inside the classrooms aims to stimulate creativity by encouraging students to think outside the box. This, paired with our strong educational standards and quality teaching practices, ensures that our children find classroom learning fun and engaging.

### Campus Facilities:

LISG offers state-of-the-art learning facilities and technologies. Each of our classrooms is fitted with interactive whiteboards and individual student devices, designed to engage students in independent and self-directed learning activity stations.

### Academic Facilities:

- Design and Technology Room
- Music Room
- Prayer Room
- Playground
- Food Technology Lab
- Science lab
- Cafeteria
- Library
- Art Room

We are also proud to announce our expansions, which will include major enhancements to the existing school campus to maximize learning spaces for our girls. The expansion will include the introduction of the following facilities:

- Swimming Pool
- Textile Tech Lab
- Maker Space
- Adventure Village
- Robotics & Design Tech

## HOW TO APPLY

We welcome families and students from every stage of their education to be a part of our learning community.

Our admissions philosophy is by nature inclusive, but contained by boundaries set by their ability to access the curriculum in English and the school's ability to support students who have learning difficulties or special educational needs.

**For Further Inquiries, Please contact us on 056 842 6511**

## ADMISSION PROCEDURE

- Complete the application form at the school.
- Submit a copy of your child's passport, a copy of each parent's Emirates ID, the most recent school report, or (To Whom It May Concern) letter from your child's current school.
- Once we receive the application form, your daughter will be invited for an entrance exam and interview.

## DOCUMENTS REQUIRED FOR REGISTRATION

- Copy of child's passport with unified no. (for UAE) and valid residence visa (for ex-pats).
- Copy of father's and mother's passports with valid residence visa (for ex-pats).
- Original Emirates ID card of the child and a copy of it (front and back).
- Copy of both parents' Emirates ID cards (front and back).
- Copy of the child's most recent report card, or (To Whom It May Concern) letter from the child's current school.
- Copy of Family Book/ Register (for UAE applicants only).
- Copy of child's birth certificate.
- Copy of the child's vaccination certificate.
- 5 recent colored passport-size photograph of your child.
